Give through EASTER
 Sunday - April 4th!

Today the spiritual needs are as great as ever with approximately 275 million people in North America who do not have a personal relationship with Christ. Many cities could reasonably be called pre-Christian. Even in the "Bible Belt" Christianity is being pushed to the margins. In the midst of this, God is bringing the nations to our shores and offering unprecedented opportunities for the sharing of the Gospel. At the North American Mission Board, they see a mission field that needs the hope of the Gospel. With our partnership, they're committed to taking this HOPE to cities, small towns and college campuses!!

Sermon Series begins Mar 14th

The crucifixion of Christ is one of the most polarizing events in human history. On the one hand, Christians look to the cross and see the Son of God sacrificed on their behalf, they see the only solution to sin, they see forgiveness, grace, and hope for the future. Others, however, find this perspective difficult, or perhaps impossible to accept.

March 14th - Dealing with Repentance from Psalm 51

March 21st - Dealing with Servanthood from Matthew 20

March 28th - Jesus enters Jerusalem from Luke 19
