Baptist Children's Home Offering

Clean clothing, hot meals, a safe home, a caring family -- these are the last things a child needs to worry about. Unfortunately, there are 16,000 North Carolina boys and girls in the state's foster care system -- children removed from their families because of abuse, neglect and addictions that crippled parents. But through your prayers and offerings, Baptist Children's Homes (BCH) welcomes these children into caring cottage homes, foster care homes and adoptive homes where compassionate adults not only take care of their every need, they share with them the unconditional love of Jesus. We'll receive this offering on Sunday's (Nov 14th & 21st)!!

Happy THANKSGIVING

...let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that give thanks to His name.

Thankfulness is a choice. If it's lacking in us, we must decide to change. As we recognize and acknowledge God's wonderful blessings and ask Him to give us grateful hearts, He will begin transforming our lives. Then, as we live in Christ, His characteristics of goodness, love, kindness, and generosity will pour through us until we are truly overflowing with gratitude.
